

Hello! Sherry & Ralph.

Winter is coming. You and Your center would be busy also.

On Dec 26 I'll be in San Francisco ~~again~~ again, with your Videosynthesizer. and if I could have time, I might be in Binghamton. If not, I shall send your video synthesizer from San Francisco by Cargo after rechecking how it works well in U.S..

This was the same one when NAMJUNE saw it in my house in Tokyo on some-day in August.

Now. I need your help for Two items.

One is Invitation letter from you to me, just seemed like one when you sent me in January.

Other is ; I need rest money. Two \$600 Bank Check, for Video synthesizer. Name of Bank is Bank of Tokyo.

Perhaps, your center had a order of repair service of Boston Pops' Video Encoder from WGBH. Mr. Dave will repair quickly.

Now, your Television Center is ~~not~~ real Center of Video Synthesis. and it is a step of your effort.

Sincerely

Shuya Abe
